TERMS & CONDITIONS

Please read the information below. It will help eliminate difficulties that may occur when making a custom design with SylviaP Sportswear Pty Ltd.

DESIGN CREATION

Sylvia P will commission our graphics artists to create a unique design based on the information supplied in the Garment Templates or Sublimation Design forms. The hourly rate for graphic design services is \$55/hour. Upon receiving this form, Sylvia P will supply you with a quotation for the time required to create your design. Full payment must be received prior to Sylvia P creating your design.

Once you have received your design you will be given one round of revisions, free of charge, so long as it is within the original design scope of your brief. Further revisions or changes that are outside the original design scope will be charged at US\$55/hour. Revisions are defined as changes to the design that are within the scope of your initial brief that do not require the development of a new design. Full payment must be received revisions are charged in 15 min increments.

QUOTATION

We will supply you with a digital design proof and quotation for approval.
