NO

If YES, please indicate on the garment (see next page) where you would like to place the logo. Note: Logos can only be printed on sublimated sections. Please supply us with your logo in VECTOR FORMAT (ai, eps or editable PDF).

DESIGNER HINTS

- Avoid dark block colors for sublimated sections.
- Please note colors sublimated on mystique fabric loses its vibrancy and can appear dull.
- Be sure to make side seams line up on the front & back.
- Use caution when combining light & dark colors to reduce the chance and color transfer.
- Consider the placement of mesh as this fabric is transparent.
- If your stuck for design ideas let our design team create something for you.
